Strengths and weaknesses

- **Strengths:** Activities are performed by well-trained professionals, since the beginning of Pandemy service is for free, international context and cooperation,io
- **Weaknesses:** before Corona services were for payment, not enough staff in a critical situation with Ukrainian refugees.

Transferability

IOM is an international organisation inter-governmental organization in the field of migration. This particular practice was realized in some European countries based on national aspects.

Sustainability

The project is sustainable and will be vital as long as there will be migrants and refugees.

Impacts

The initiative has a huge impact on society in general: it raises legal awareness, helps to develop an economical area of the county through bringing refugees and migrants to the labor market.
