

UNITE – COMBAT DISCRIMINATION

This project has been funded with support from the European Commission. This document reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

1

Short summary

Nowadays, both in Portugal and in the rest of Europe, we are still confronted with discrimination/exclusion. This good practice allows us to combat discrimination by raising awareness through addressing these issues in learning activities.

2

Aims and objectives

- Raise awareness among students/trainees;
- Increase the percentage of people who fight against discrimination;
- End prejudice

3

Target group

- Young people
- Parents
- Between 20 and 60

4

Activities

- Make a diagnosis about the existence of discrimination in the area where you live
- Participation in workshops related to this theme;
- Brainstorming
- Creation of awareness flyers;
- Elaboration of works with the theme "fight against discrimination"

5

Tools & Methods

- Computers
- Room
- Session Plan.

Co-funded by the
Erasmus+ Programme
of the European Union

Transferability

- This good practice can be applied now, it will only be necessary to include this subject in a curricular plan and promote it.
- All institutions can raise awareness and contribute in an educational way to reducing discrimination.

Impacts

In the labour market, people who are aware of this issue integrate people in the same way, regardless of race, ethnicity, or culture. Also, the top management of an organization opens doors for these people to have more job opportunities.
